

How are clients registered for the text alert system?

Maria Guadalupe Tiscareno - 2016-12-12 - 0 Comments - in Emergency Text Notifications

All active Dominican University students, faculty, staff, are automatically registered to use the Rave Emergency Notification System

- Active DU students, faculty, and staff are automatically registered for text alerts but users must confirm their cell phone number is correct. Please visit the MyDU Portal to add and/or manage your cell phone from the Emergency Notification System link.
- Affiliates to the DU community without a Dominican University Email address are welcome to subscribe. Please visit the DU Rave Registration Page to sign up and manage your emergency notification information.
